

# CURIO CRAFTS

A tradition of delivering innovative designs,  
quality products and the best service

# The Curio Crafts *Story*

- Curio in Latin means “an unusual object of outstanding interest”
- We bring textures, patterns and designs reminiscent of traditional art techniques, that lights up a house in a unique manner
- This deeply imbibed essence of cultures and old-world inspiration is all rendered atop colourful gradients that create an unmistakable style and appeal

# The *Foundation*

## History

- Established in 1993 under the stewardship of Mr. Rakesh and Ms. Poonam Jain
- Started with a few team members working in a basement
- Over the years, has gone on to become one of the most trusted brands
- Specialize in home decor manufacturing
- Trusted at home and throughout the world

## Vision

- To produce high-quality and modern home-decor, with attention to detail, impeccable quality of work, strong customer focus and building long-term relationships with our customers

## Core Values

- Trust | Uniqueness | Inclusiveness | Inspirational
